

THINKING ABOUT QUITTING **VAPING?**

When you haven't vaped for a while, do you:

- Have a strong craving to vape?
- Feel nervous or anxious?
- Vape in places you're not supposed to?
- Have trouble concentrating?
- Feel like you need to vape to feel better?
- Feel angry, irritable, or restless?

**If you said yes to one or more of these,
you may be hooked on nicotine.**

You can quit. We have resources to help.
